

# Taylor Wimpey Development

- **The Taylor Wimpey Planning application is going before the deciding committee next Wednesday - 19th December.**
- **The committee will be having a site visit the day before - starting at 2:45 pm on Tuesday the 18th December.**

Despite overwhelming support for the Debenham Neighbourhood Plan and rejection of the Taylor Wimpey application by:

1. Debenham residents
2. Independent Planning Consultants AECOM
3. Independent Examiner for the Neighbourhood Plan
4. MSDC cabinet (who on Monday approved it to go to referendum - the final stage in completing the Neighbourhood Plan)
5. MSDC Neighbourhood Planning Team

**The planning offers handling the Taylor Wimpey application are dismissing all of the above and **recommending approval** to the committee.**

We ask Debenham residents to:

- attend the committee meeting next Wednesday (a coach will be laid on for those without transport leaving the leisure centre at 8:00am)
- Email your objections to the application to the committee members and your local District Councillor Kathie Guthrie.

For more information and contact details for the above visit:

**This is not just a local issue, it is a test case for the role of democracy in planning across the country.**
